JOHN CORCORAN / HIS FIRST ON-CAMERA CAMPAIGN MESSAGE

John shows the HAWKS Flight Finder and explains how pilots can check the November listings. He also discusses pilot work, the Air Atlanta arrangement and the written protections he wants to pursue.

LOOK IT UP

Flight Finder. All Flights.
November 1-30, 2026.
The AC filter John describes.

UNDERSTAND THE COUNT

John reports 91 flights.
It is his snapshot of the listings, not a verified completed-flight total.

HEAR HIS PROPOSAL

Request information under Article 1.I and seek negotiated language addressing his concerns.

Reading the video: John's contract argument is a proposed interpretation, not an established breach. Lease payments alone do not change an equity percentage; the CBA also addresses effective control. The briefing explains these distinctions beside the complete recording, with the original audio preserved.
